## THE PASSING OF BILL STACK -

Our hearts have been saddened by the loss of Bill Stack who left our ranks on Sunday, September 25, 1955, to join his Maker.

We shall never forget his loyalty to his comrades and how his untiring efforts down thru the years made it possible for the former members of Base Hospital 21 to keep in touch with each other.

We mourn the passing of a true friend and loyal comrade.

It is with regret that we report the passing, during the past year, of other comrades whose loss we also mourn. They are -

✓ Dr. Edward Lehman	at Charlottesville, Va.	May 27, 1954
Harry Brown	at Fruitville, Missouri	Sept. 7, 1954
✓ Dr. James A. Brown	at St. Louis, Missouri	Oct. 5, 1954
Hugh Bisplinghoff	at Hamilton, Ohio	May 29, 1955
John C. Sullivan	at St. Louis, Missouri	July 20, 1955

Our heartfelt sympathy is extended to Jim Sallee who lost his Father and Brother, within a few weeks of each other.

RITCHEY WILLIAMS received a letter from SPENCER ALLEN who has had a recent serious illness. We are happy to report that "Spence" is now feeling much better.

BILL REEVES and his wife drove all the way from Marion, Illinois to be on hand for the Installation of Officers which was held Saturday, September 24, at the home of Justin Jackson. Bill spent last Christmas in a hospital, but now appears to be on the mend. May your health continue to improve, Bill!

A letter was received from MRS. OLIVE SERAFINI FLYNN who is living at the Manchester Nursing Home, 10341 Manchester Road, St. Louis 22, Mo. She misses news of the Post as she seldom gets to town and only rarely meets members of Unit 21. Why not drop her a note or a postal card?

✓ We have just learned that ERMA FROHBIETER has moved to Evansville, Indiana. Good luck to you, Erma. Come and see us when you can.

✓ We also received a letter from LEONARD W. NOWAK who is Registrar at Kennedy Veterans Hospital, Memphis, Tennessee. Comrade Nowak is eager for news of his "Buddies" of General Hospital No. 21, and enclosed a contribution for the Post newspaper, which is being returned to him. We hope this good comrade can find time to attend some of our functions - especially our Armistice Party.

BE SURE TO ATTEND OUR FALL FESTIVAL PARTY

Our sincere thanks to our Retiring Commander, TOBY DUNVILLE, now our Editor-in-Chief of Rouen Post News Letter, for a job well done.

Dr. Ernst has received several letters from ELMER WILLIAMS and addressed from the Veterans Administration Hospital Building No. 1, North Little Rock, Arkansas. Elmer says he is planning to move to Ozark, Missouri, where he will operate a cabinet shop. Good luck in your new venture, Elmer.

DICK SABATH is working at the "Diamonds", the well known "eatery" on Hiway 66, and works long hours on the week ends, making it impossible for him to be on hand for the Installation of Officers affair. Sorry you could not be with us, Dick. Hope you can make it next year.

YOU'LL BE S-O-R-R-Y

IF YOU MISS

THE GREAT FALL FESTIVAL PARTY - NOVEMBER 13 -

We almost forgot to tell you that it is with pleasure we can again report the finances of ROUEN POST #242 as being in excellent shape. All bills have been paid, we are not threatened with any law suits, and there is a substantial amount of cash in our treasury. Our thanks to all members, for this healthy condition.

A previous engagement prevented DR. ERNST coming to see our new officers installed. We missed you, "Doc;" however, such things do happen.

PAUL CORRUBIA - while here attending the Architectural Convention, asked about the Old Unit 21 members. He says, "Give my regards to Old Unit 21, sorry I can't see more of you." Julius V. Silberberg reporting.
